

Dear Taekwondo Family –

I am proud and excited to announce the reopening of Lim's Taekwondo to limited capacity classes on Monday, July 20, 2020. A great deal of effort has gone into preparing for our reopening.

We are instituting strict procedures to protect the safety of students, our instructors, and their families. We are relying on all our students and families to cooperate fully as we carefully enter this new phase in the face of the ongoing Covid-19 crisis.

- **Class attendance will be limited to a maximum of 6 students per session.**
 - Registration for in-person classes will be online.
- **All classes will be broadcast on Zoom so ALL students can continue with their training.**
 - Our goal is to rotate all students interested in attending classes at the dojang each week.
- To do this, we ask that students sign up for **ONLY 1** in-person class each week.

We have instituted a number of changes in the way we process students and will be cleaning the dojang thoroughly between each class. **The waiting room is now a staging area to safely welcome each student individually and usher them into the dojang after having their temperature taken and Covid-19 screening completed.**

- **Each student must fill out the Covid-19 questionnaire prior to each class and bring that document with them.**
- **No student can enter the dojang without passing the screening process fully.**
- **All students and instructors will wear masks** at all times and use hand sanitizer before entering the dojang and after leaving the dojang.
- Students will arrive at the school already dressed in their uniform. **Students may NOT change into their uniforms at the dojang.**
- **Each student will have a designated space in the dojang for each class.**
- Regrettably, parents and guardians may **NOT** stay in the former waiting area for the duration of the class.
- Students will be escorted from the dojang to the staging area, where they will use hand sanitizer and be released to their parent or guardian.

The new schedule is posted here on the website and a link to the google sign-up form is on the class schedule document. **Attached to this email is the schedule for you to**

reference, as well as the questionnaire that you should fill out and bring to the school for each and every in-person class.

We are committed to providing a healthy and safe environment for our students, but we need the full cooperation for our students and families to do so. Each family must sign the assumption of risk and waiver of liability agreement to participate in in-person classes.

We look forward to welcoming our students back to the dojang a few at a time. As long as we work together, we can create a safe environment for training in Taekwondo.

Yours,
Master Lim
